报告人简介

Dickon H L. Ng (吴恒亮) received his PhD from the Department of Physics at the University of Manitoba (Canada). He completed two years of postdoctoral work in the Department of Materials at the University of Oxford before joining the Physics Department at the Chinese University of Hong Kong in 1991. He was the Associate Dean (Students Affairs) in the Faculty of Science from 2008 to 2015 before appointed the Chairman of the Physics Department from 2015 to 2018. His current interests include biomorphic materials for photo-catalysis, water treatments, and energy storage devices.
